

## Notice of Public Hearing

### State of Alaska Alaska Oil and Gas Conservation Commission

Re: The application of ConocoPhillips Alaska, Inc. for a spacing exception to allow for the drilling, completion, and production of the North Cook Inlet Unit A-14, A-15, and A-16 wells, which do not conform to the required cluster spacing pattern and lie within 3,000 feet of other wells capable of producing from the same gas pool.

ConocoPhillips Alaska, Inc., by letters dated and received April 23, 2008, retracts its Location Exception Application, dated April 4, 2008, and requests that the Alaska Oil and Gas Conservation Commission (Commission) issue an order allowing an exception to the spacing requirements of Conservation Order (CO) No. 68 and 20 AAC 25.055 to allow for the drilling, completion, and production of the North Cook Inlet Unit (NCIU) A-14, A-15, and A-16 wells. These proposed wells do not conform to the "cluster spacing pattern" required by Rule 2 of CO 68, and they lie within 3,000 feet of other wells capable of producing from the same gas pool. The proposed surface and bottomhole locations of each of the wells are as follows:

**Well NCIU A-14:**

Surface Location: 1019' FWL, 1302' FNL, Sec. 6, T11N, R9W, Seward Meridian (SM)  
Bottomhole Location: 1047' FEL, 1277' FSL, Sec. 30, T12N, R9W, SM

**Well NCIU A-15:**

Surface Location: 975' FWL, 1256' FNL, Sec. 6, T11N, R9W, SM  
Bottomhole Location: 1317' FEL, 405' FSL, Sec. 6, T11N, R9W, SM

**Well NCIU A-16:**

Surface Location: 973' FWL, 1250' FNL, Sec. 6, T11N, R9W, SM  
Bottomhole Location: 2213' FEL, 1172' FSL, Sec. 36, T12N, R10W, SM

The Commission has tentatively scheduled a public hearing on this application for May 29, 2008 at 9:00 a.m. at the Alaska Oil and Gas Conservation Commission, at 333 West 7<sup>th</sup> Avenue, Suite 100, Anchorage, Alaska 99501. To request that the tentatively scheduled hearing be held, a written request must be filed with the Commission no later than 4:30 p.m. on May 13, 2008.

If a request for a hearing is not timely filed, the Commission may consider the issuance of an order without a hearing. To learn if the Commission will hold the hearing, call 793-1221 after May 22, 2008.

In addition, written comments regarding this application may be submitted to the Alaska Oil and Gas Conservation Commission, at 333 West 7<sup>th</sup> Avenue, Suite 100, Anchorage, Alaska 99501. Comments must be received no later than 4:30 p.m. on May 27, 2008, except that, if a hearing is held, comments must be received no later than the conclusion of the May 29, 2008 hearing.

If, because of a disability, special accommodations may be needed to comment or attend the hearing, contact the Commission's Special Assistant, Jody Colombie, at 793-1221, no later than May 27, 2008.

John K. Norman  
Commissioner
